

MENA UNITED TRADING

Corporate Profile

A global trading house built on trust, transparency and institutional discipline.

Ajman Free Zone · UAE · trade@mena-united.com · www.mena-united.com

Corporate Profile

MENA United Trading F.Z.C is a licensed commodity trading house operating from Ajman Free Zone, United Arab Emirates. We intermediate physical flows of crude oil, refined products, petrochemicals, specialty gases and selective automotive trade across MENA, Asia, Europe, Africa and the Americas.

Legal identity

- Free-Zone Company registered in Ajman Free Zone, UAE
- B.C 1306387, Ajman Free Zone C1 Building
- Trade Licence ■ 52315 · TRN 52315
- Email: trade@mena-united.com · Telephone: +971 58 562 0595

What we trade

- Crude oil and condensates
- Refined products: EN590 diesel, Jet A1, LPG, LNG, naphtha, fuel oil
- Petrochemicals: urea, sulphur, methanol, aromatics and olefins
- Specialty gases: helium and industrial gases
- Selective automotive and armoured-vehicle trade

Our edge

We combine long-standing producer relationships, in-house credit and sanctions screening, structured trade-finance capability, and a global logistics network to deliver reliable, compliant commodity solutions.

Global reach

Our presence spans the GCC, Asia, Europe, Africa and the Americas through offices, trading hubs and long-term counterparties. We operate across key supply corridors including the Arabian Gulf, Mediterranean, North Sea, West Africa, Singapore and the US Gulf.

Values & Governance

Mission

To be the trusted intermediary between producers, refiners and end-users of energy and industrial commodities — delivering value with integrity.

Vision

A leading independent trading house recognised for disciplined risk management, compliance standards and long-term partnerships.

Values

- Integrity — no compromise on ethics or compliance
- Discipline — risk-first, data-driven decisions
- Partnership — long-term relationships with producers and buyers
- Execution — operational excellence from contract to delivery
